

# TURBOS

## POWER and RELIABILITY

### THE PUREPOWER ADVANTAGE

---

- ✓ Unique 100% functional end-of-line testing with full RPM sweep
  - NVH analysis
  - Hydraulic and pneumatic leak testing
  - Full VGT/VNT operational testing
- ✓ Hot gas stand validation
- ✓ Burst testing validation
- ✓ 100% oil slinger, journal and thrust bearing replacement (reman)
- ✓ 100% wear component and fastener replacement (reman)
- ✓ Bearing surface returned to OE-like condition using precision machining process (reman)
- ✓ IATF 16949 certified
